JAMES BOND SPYMASTER DUO ROLLERBALL PEN - NUMBERED EDITION - BY MONTEGRAPPA

Introducing the James Bond 007 Spymaster Duo Rollerball Pen by Montegrappa. Inspired by 007, this collectors' edition writing instrument is fitting companion for any assignment. In the best traditions of James Bond gadgetry, the 007 Spymaster Duo has hidden secrets and is stylishly handmade from precious materials in a numbered edition of just 380 pieces.

Details. The pen is constructed from high-strength machined steel and aluminium. Its false upper barrel conceals a pair of special edition 007 cufflinks which can be accessed via a special locking mechanism and dummy blind cap. The steel grip is engraved with its individual number. The pen features rifling on the cap and upper barrel which echoes the iconic, gun-barrel title sequence. The lower barrel is made of blackened alloy with a knurled, pistol-grip finish. Additional product markings include the 007 logo on the blind cap, cufflinks and a chevron pocket-clip, and the Bond family crest foil-stamped onto a companion journal. The pen and accessories is housed in a custom travel case with a journal and secret compartments.

Dimensions. L16.20cm, D1.85cm

The makers. Montegrappa has been manufacturing the world's most magical pens in the same artisanal factory for more than a century. Combining luxurious materials, high craftsmanship and unrivalled writing pleasure, the independent maker's quality and individualist flair make it a firm favourite of dignitaries, creatives and collectors. All Montegrappa writing instruments are made at the company's headquarters beneath Monte Grappa in Bassano del Grappa, Italy.
